Shut it down
Shut it down
Shut it downShut it down
Shut it down
Shut it downShut it down
Shut it down
Shut it downFrom what it might have been
Seems to be what's fine
Don't work too much
Into be your thing
Am I your thing?
I write easy when I seize this
Don't comes war
Our hearts
Our feel comfortI write easy when I seize this
Don't comes war
Our hearts
Our feel comfortShut it down
Shut it down
Shut it downShut it down
Shut it down
Shut it downShut it down
Shut it down
Shut it down
I write easy when I seize this
Don't comes war
Our hearts
Our feel comfortI write easy when I seize this
Don't comes war
Our hearts
Our feel comfort
