La La

Laura Marano

[Laura]
La la, la la la
La la, la la laYou can say what you want when you want
Won't lie, it might upset me, momentarily
Ooh
You can try to argue, to play with my mind
But baby once you leave, I'll be back to me
OohI never said that I was ever perfect, but don't you dare
Ever say that I was never worth it
Ooh oohCountdown 3, 2, 1
Lemme know when you are done
Cause whenever your mouth runs, all I hear is la la
Say your ABC's
Do whatever it is you please
Cause I'm not even listening
All I hear is la laLa la, la la la (la, la, la, la, la, la, la)
La la, la la la (la, la, la, la, la, la, la, la, la, la)You can stage on the stage
You can preach every word that you want to about me, but I won't believe
Ooh
You can think what you think but that don't mean a thing
Cause same things as you do, cause I am not you
OohYour talk is cheap, toxic to me
Two fingers in the sky, while I say goodbyeCountdown 3, 2, 1
Lemme know when you are done
Cause whenever your mouth runs, all I hear is la la
Say your ABC's
Do whatever it is you please
Cause I'm not even listening
All I hear is la laLa la, la la la (la, la, la, la, la, la, la)
La la, la la la (la, la, la, la, la, la, la, la, la, la)You do you and I'll be fine, so fine
Don't be taking over my, my mindWhile you're drinking up and lighting up
I'm only going higher
You had my love, but you burned it up
Like chemicals to fireLa la, la la la (la, la, la, la, la, la, la)
La la, la la la (la, la, la, la, la, la, la, la, la, la)Countdown 3, 2, 1
Lemme know when you are done
Cause whenever your mouth runs, all I hear is la la
Say your ABC's
Do whatever it is you please

Cause I'm not even listening
All I hear is la laLa la, la la la (la, la, la, la, la, la, la)
La la, la la la (la, la, la, la, la, la, la, la, la, la)(You do you and I'll be fine, so fine
Don't be taking over my, my mind)La la, la la la (la, la, la, la, la, la, la)
La la, la la la (la, la, la, la, la, la, la, la, la, la)
