

NKOTBSB Mash Up

NKOTBSB

NKOTB: Listen up everybody if you want to take a chance

BSB: Oh, my God, we're back again

NKOTB: Don't worry about nothing 'cause it won't take long

BSB: Got a question for you better answer now

Am I original?

Yeah

Am I the only one?

Yeah

Am I sexual?

Yeah

Am I everything you need? You better rock your body now

NKOTB: (ohhhh)

BSB: Everybody

NKOTB: (ohhhh)

BSB: Everybody,

NKOTB: (ohhhhh)

BSB: Rock your body right

BSB: Tell me why

Ain't nothing but a heartache

Tell me why

Ain't nothing but a mistake

Tell me why

I never wanna hear you say

I want it that way

You are my fire

My one desire

You are, you are, you are, you are

'Cause i want it that way

NKOTB: Step by step, ooh baby

Gonna get to you girl (step!)

Hey girl, in your eyes

I see a picture of me all the time (step!)

And girl, when you smile

You've gotta know that you drive me wild (step by step!)

Ooh baby, you're always on my mind (step by step!)

Ooh girl, i really think it's just a matter of time

Step by step!

BSB: From the first day

That I saw your smiling face

Honey, I knew that'd we would be together forever, yeah

'Cause I deserve a try honey just once

Just give me a chance and I'll prove this all wrong

You walked in, you were so quick to judge

But honey he's nothing like me

Darling why can't you see?

I'll never break your heart

I'll never make you cry

I'd rather die then live without you

I'll give you all of me

Honey that's no lie

I'll never break your heart

I'll never make you cry

I'd rather die then live without you

I can't live without you

NKOTB: Please, don't go girl

(We've been together for a long time, baby)

Please, don't go girl (don't go girl)

Please, don't go girl

You would ruin my whole world

Tell me you'll stay

Never ever go away

'Cause you're my best friend, girl

You're my love within

I just want you to know

That i will always love you

Oh

Please, don't go girl

First time was a great time

Second time was a blast

Third time i fell in love

Now i hope it lasts

You got the right stuff, baby

Love the way you turn me on

You got the right stuff, baby

You're the reason why i sing this song

Say oh oh oh oh oh

oh oh oh oh

oh oh oh oh oh

The right stuff

Oh oh oh oh oh

oh oh oh oh

oh oh oh oh oh

The right stuff

All you people can't you see, can't you see

NKOTBSB

Everytime we're down

You can make it right

and that makes you larger than life (Yeah)

Every time were down (somebody say yeah!) (Yeah)

You can make it right (everybody say yeah!) (Yeah)

That's what makes you larger than (yeah) life (here we go!)

All you people can't you see, can't you see

NKOTBSB

Everytime we're down

You can make it right

and that makes you larger...

That makes you larger...

That makes you larger than life
