Right Time

Bosson

Lyrics:bosson, music: bosson
Gonna tell the world that I've fallen for you
I've got a secret, I can't hold it back anymore
I've got to share it with everyone I know
It's a lifetime waiting for someone like you
I'm falling, a feeling too good to be true, so true
I write you a song on the radio
I want them to know that I'll die for you
Chorus:
This is the right time, oh oh this is the moment
I'm gonna tell the world that I've fallen for you x2
I never thought that, there was a space inside me
But you found it, a place where you wanted to be
I'm happy, you gave me time to see
I'm falling, for the first time I feel that I'm free
I write you a song on the radio
I want them to know that I'll die for you
Chorus

I'll write you a poem in the magazine
I'll buy some time in the 7 o'clock news
I run through the city naked shout and scream
Heeyoo heyoooooo
I'll drop some flyers from an aeroplane
I'm making a movie where I'm singing in the rain
I send out the message to the outer space
Calling earth, ground control, do you read me?
I read you, over
We've got a small problem up here
We found a guy who says he's got a message for the world
I think he's really fallen in love...over and out
Chorus
Ohooo heeyooooo
Ohooo can't hold it back no more
Ohooo heeyooooo
Ohooo gonna tell the world
Chorus
