

# Pop Star

## Cat Stevens

Yes I'm gonna be a pop star  
Yes I'm gonna be a pop star, now  
Yes I'm goin' to be a pop star  
Oh mama, mama see me  
Mama, mama see me I'm a pop star Oh, yes, I'm goin' on the TV now, now  
Yes, I'm goin' on the TV, now  
Yes, I'm goin' on the TV  
Oh mama, mama see me  
Mama, mama see me on the TV Yes, I'm goin' on my first gig  
Yes, I'm goin' on my first gig  
Yes, I'm goin' on my first gig  
Oh mama, mama see me  
Mama, mama see me on my first gig Now listen to me Oh, it's so good Oh well, I'm goin' to the cold bank, cold  
bank  
Yes, I'm goin' to the cold bank, now  
Yes, I'm goin' to the cold bank  
Oh mama, mama see me  
Mama, mama see me at the cold bank Mama sing it Here it comes Oh well, I'm coming, coming, coming home,  
now  
Yes, I'm coming, coming, coming home, now  
Yes, I'm coming, coming, coming home, now  
Oh mama, mama see me, mama, mama see me I'm home
