

Space (David Starfire Remix)

[M.I.A.](#)

Gravity is my enemy,
It grabs at me like I'm money.
The stars are bangin' close to me,
As I'm floatin' in a life odyssey. My lines are down, you can't call me,
As I floating around in space odyssey.
My lines are down, you can't call me,
As I fly around in a space odyssey. Like Puzzel Bubble on PC,
It's got color waves following me.
And I still judge it week by week,
And I'm head of time, so you'll never lose me. My lines are down, you can't call me,
As I fly around in a space odyssey.
My lines are down, you can't call me,
As I fly around in a space odyssey. Ooh, ah, ah ah Can I take a minute or two,
To introduce my point of view.
I need to spend some time with you,
There's nothing more new on the news. My lines are down, you can't call me,
As I fly around in a space odyssey.
My lines are down, you can't call me,
As I fly around in a space odyssey.
