Shook Up

Case

Now this here ain't no ordinary love
And I be hooked on you juts like a drug
Cause you got what I'm needing
Damn my body's feinding
I can't go one day without your love
Now this ain't something that i usually do
But for some reason I can't keep my cool
Since the day I met ya, must be something special
Got me shook up with the things you do
When we make love, we make love and make love
When we hug and we kiss and we touch
Feels so good that I can't get enough
The love that you give to me girl, it got me shook upI'm shook up, I'm shook up, shook up, shook up
I'm shook up, I'm shook up, shook up, shook up
(Said I'm shook up baby baby)
I'm shook up, I'm shook up, shook up, shook up
I'm shook up, shook up
I can't believe you've got my head so gone
And your body feels so right, this can't be wrong
When you're gone I feel uneasy
Baby don't you tease
I'm waiting for you soon as you get home
I know I know you're love's got me strung out
But I'm not afriad to say it, got no doubt
Ever since the day I met ya, must be something special
