

45 Grave

45 Grave

I am 45 grave
No reason 45 grave
Who does 45 grave
What is 45 graveWhat is in my mind
45 grave in outer space
Demon at a slow pace
What is in my mindDying time is behind
45 grave is outer space
Demon at a slow pace
What is in my mind
Dying time is behind
45 grave is out[Incomprehensible]Devil's evil has been viewed
As gamma rays from the moon
Devil's evil had been viewed
To be the knowledge of 45 graveShriek alarm plays face
45 grave floating in fire
Hit things for hire
Shriek alarm plays faceAnti-no-non in straight lace
45 grave floating in fire
Hit things for hireShriek alarm plays face
Anti-no-non in straight lace
45 grave floatsOh, oh no they're coming, oh no
Oh, oh no they're here, oh no
