

# Warm Me Up

[Elliott Yamin](#)

It's snowing on this cold December  
And it's just me and you  
You know we belong together  
All that I do, you know I'm true Come warm me up, it's cold outside  
Let's bundle up by the fire  
Come warm me up, it's Christmas time  
I want to know what's your desire This holiday we'll celebrate  
With candlelight and champagne  
So come a little closer baby  
I've got something for you  
Won't stop until we're through Come warm me up, it's cold outside  
Let's bundle up by the fire  
Come warm me up, it's Christmas time  
I wanna know what's your desire Kiss me underneath the mistletoe  
I need you to know that I'm not going anywhere  
I'll never leave you, you know it's true  
On this Christmas Eve, Christmas Eve for you Come warm me up, it's cold outside  
Let's bundle up by the fire  
Come warm me up, it's Christmas time  
I want to know what's your desire Come warm me up, it's cold outside  
Let's bundle up by the fire  
Come warm me up, it's Christmas time  
I want to know what's your desire
