Words In My Mouth

Vaughan Penn

Hey Hey Hey
From the very moment I laid eyes on you
It was absolutely obvious that I was more than attracted to you
Oh Oh Oh
Oh Oh Oh
You helped change a very nice ordinary girl
To a very crazy in love baby
Yeah you rocked around my world
My world
Oh Oh Oh
Oh Oh Oh
Yeah you really do something to me
Oh Oh Oh
Oh Oh Oh
Oh Oh
[Chorus:]And every time you kiss me you put words in my mouth
Every time you kiss me
Every time you kiss me you put words in my mouth
And it feels so nice
Yeah it feels so nice

Every time you kiss me
I love the way you give your love to me
I love the way that I was meant for you and you for me
Oh Oh Oh Oh Oh Oh
It's a beautiful combination
Oh Oh Oh
Oh Oh Oh
Oh Oh
[Chorus]That my heart reaches out
Every time you kiss me
I wanna say
I love you
I love you
And I love you
I love you
Every time you kiss me
Every time you kiss me
