

The Changeling (Alternate Version)

The Doors

Uh!
Uha!
Gedu! I live uptown
I live downtown
I live all around I had money, and I had none
I had money, and I had none
But I never been so broke
That I couldn't leave town I'm a Changeling
See me change
I'm a Changelin'
See me change I'm the air you breath
Food you eat
Friends your greet
In the sullen street, wow See me change
See me change, you I live uptown
I live downtown
I live all around I had money, yeah, and I had none
I had money, yeah, and I had none
But I never been so broke
That I couldn't leave town Well, I'm the air you breath
Food you eat
Friends your greet
In the sullen street, wow Ew ma!
Uh, ah! You gotta see me change
See me change
Yeah, I'm leavin' town
On a midnight train
Gotta see me change
Change, change, change
Change, change, change
Change, change, change
Change, change, change
Woa, change, change, change
