

# Spend The Night

Donell Jones

Listen, girl, it's getting hot in here  
And ya making me feel  
Like you wanna do something, oh girl  
What's on your mind?  
I can't take much more of this bumpi' and grindin'Don't stop what 'cha doing to me  
Baby, you gon' make me want you even more  
Act just like you want me, back that ass up on me  
We can take this party to my place or yours[Chorus x 2]  
All up on me, playin' it close  
You can't stop it, won't stop rollin'  
Shorty, what you feelin' like?  
You can come and spend the nightOh girl  
It's on in here, that belvedere got you open up wide  
And, oh, girl  
Since we locked eyes  
Said it's so surreal that we both cannot fight it, oh yeahDon't stop (said, don't stop) what 'cha doing to me (said,  
to me)  
Baby, you gon' make me want you even more (make me want you more and more)  
Act just like you want me, back that ass up on me (yeah)  
We can take this party to my place or yours[Chorus x 2][Bridge:]  
Oh girl, it's that time  
Feels good to know you're leaving here with me tonight  
'Cause you're in the mood, so am I  
And the sky is not the limit; we gon' see how well I give it, oh yeahDon't stop what 'cha doing to me  
Baby, you gon' make me want you even more (you make me want you more and more)  
Act just like you want me, back that ass up on me  
We can take this party to my place or yours (to my place or yours, baby)[Chorus x 2]
