

# The Dolphins

Neil, Fred

This old world may never change  
Not the way it's been  
And all the ways of war  
Can't change it back again  
I've been searchin' for the dolphins in the sea  
Sometimes I wonder, do you ever think of me?  
I'm not the one to tell this world  
How to get along  
I only know that peace will come  
When all hate is gone  
I've been searchin' for the dolphins in the sea  
Sometimes I wonder, do you ever think of me?  
Sometimes I think about  
Saturday's child  
And all about the times  
When we were runnin' wild  
I've been searchin' for the dolphins in the sea  
Sometimes I wonder, do you ever think of me?  
This old world may never change  
This old world may never change  
May never change  
And it may never change
