## Magic Affair

Uuuuh... Take me away Higher  
Is where I wanna be  
Higher  
Where my Baby care of me

If you are... to entice  
Higher  
Show you the way to paradise Take me away  
To paradise  
Take me away  
To a higher ground  
Take me away  
To paradise  
Take me away  
To a higher ground  
Take me away To the montain top  
Is where I wanna go  
To the highest top  
Is where I wanna be  
To the montain top  
Is where I wanna go  
To the highest top  
Is where I wanna be Yeah ah, I wanna show you paradise
