[Paparazzi]

Greyson Michael Chance

We are the crowd
We're c-coming out
Got my flash on it's true
Got that picture of you
It's so magical
We'd be so fantasticalLeather and jeans
Garage glamorous
Not sure what it means
But this photo of us
It don't have a price
Ready for those flashing lights
'Cause you know that baby II'm your biggest fan
I'll follow you until you love me
Paparazzi
Baby there's no other superstar
You know that I'll be your
PaparazziPromise I'll be kind
But I won't stop until that girl is mine
Baby you'll be famous
Chase you down until you love me
PaparazziI'll be good
Backstage at your show
Velvet ropes and guitars
because your my rock star
in between the sets
Eyeliner and cigarettesShadow is burnt
Why you dancin' with him
My lashes are dry
Purple teardrops I cry
It don't have the price
Loving you is cherry pie
'Cause you know that baby II'm your biggest fan
I'll follow you until you love me
Paparazzi
Baby there's no other superstar
You know that I'll be your
PaparazziI'm your biggest fan
I'll follow you until you love me
Paparazzi

Baby there's no other superstar
You know that I'll be your
PaparazziPromise I'll be kind
But I won't stop until that girl is mine
Baby you'll be famous
Chase you down until you love me
