Falling Down

Hudson Henry

In a city of angels
Underneath the jaw of jackals
In Hollywood, under the devil's eye
Where dreamers live, and crazy never diesFalling down
Into madness
Will this be?
My purpose
Take this ride
To darkness
Crawling to the topThere's no reason to be alone tonight
Chasing demons that are out of sight
And I'm a crooked man, and I mean well
And when my vision burns a new life dwellsFalling down
Into madness
Will this be?
My purpose
Take this ride
To darkness
Crawling to the topPromises that people make
It's hard to tell if there real or fake
And when you break away from them
And learn to believe that you're a gemJust close your eyes, and let it take you!Falling down
Into madness
Will this be?
My purpose
Take this ride
To darkness
Crawling to the top
