

Go It Alone

Beck

I'm comin' over
See me down at the station
By the lane
With my hands in my pocket
Jingling a wish coin
That I stole from a fountain
That was drowning all the cares in the world
When I get older
Climbin' up on the back porch fence
Just to see the dogs runnin'
With a ring and a question
And my shiverin' voice is singing
Through a crack in the window

I better go it alone

Down on the corner
See me standin'
On a makeshift road
With the dust storm blowin'
In a long black shadow
Pull a hammer from a coal mine
Down where your daddy was workin'
Comb my hair back
Strike a match on a bathroom wall
Where my number was written
Drivin' on the sidewalk
Lookin' back and the sky is burning
In my rear view mirror

I better go it alone
