I'm So In Love

SWV

Hey baby, I've had this feelin' for you for such a long time
I just wanted to show how I feel inside
And you're the only person who can help me release it
So let me hit you off with this nice and slow daddyLove is come and go
But now it's here to stay
You've made me so happy
The day you came my wayEvery time I'm with you
I love you more and more
Cause you're the man
'Cause you're the man that I, I adore, yeahI'm so in love with you
Taj and Lelee help me sing it, yeahI'm so in love with you
Don't you know you are the only one for me
I'm so in love with you
Don't you know you are the only one I needI can't get enough of you
I love what you do to me
You treat me like a lady
And you're sensitive to all my needsSo don't you ever go nowhere
I don't know what I'd do
Please stay with me for ever
Because I'm so in love with you, yeah, yeahI'm so in love with you
I'm so in loveI'm so in love with you
Don't you know you are the only one for me
I'm so in love with you
Don't you know you are the only one I needI love the way you caress my body
The way you kiss me
The way you touch me
I love it when you squeeze meThat's why I'm so in love with you
I can't get enough of you
I want more and more everyday
I'm strung out on you baby, I love you so muchI'm so in love with you
Don't you know you are the only one for me
I'm so in love with you
Don't you know you are the only one I need
