

Waiting

Loon

[Intro - Loon - talking (Female voice)]Yo people say, behind every bad boy is a good woman

But bein the Bad Boy that I am (I'll be waiting)

I never knew how good a woman I had

But see I'm older now (I'll be waiting)

I'm startin to understand things

So on that note baby, I ain't goin nowhere (I'll be waiting)

I'll be waiting

[Break - Loon (Letter M) {Female voice} - w ad libs]Anytime, anyplace I'll be waiting {I'll be waiting}

(Anytime, anyplace I'll be waiting)

Through the storm, through the rain girl whatever {I'll be waiting}

[Verse 1 - Loon]Uh, yeah, aiiyo ma

You gotta understand, lovin you wasn't part of the plan

Was 17, I was far from a man, plus I was part of a team

That put they whole heart in the green

I was too young to be a part of your dreams

I was surrounded by sugars astoundin, plus I'm kinky

Picture Loon settlin down, couldn't make me

Neither your love or the system could break me

A hot slug ma, barely would shake me

I would rather you hate me, than to love me

Mistake me for your hubby

You blatantly tried to rub me, when I'm out with my crew

Show me affection, when I'm not in the mood

We had a fight now you got me confused

You bringin breakfast and a bottle of Voo

[Chorus - Loon (Letter M) {Female voice}]Anytime, anyplace I'll be waiting {I'll be waiting}

(Anytime, anyplace I'll be waiting)

Through the storm, through the rain girl whatever {I'll be waiting}

(Through the storm, through the rain boo whatever, baby)

Just call my name and I'll come running

(And I'll come running for you baby)

Whenever you call, whatever you need {I'
