Who Knew

James Nee

Hallelujah
Thank you Jesus for the grace
For the anointing that is working upon my life
Nobody knew that I'm gonna be here standing here giving you praise
With all that I've been through
ha i wanna say thank you God
Who knew that I'll be standing here
Who knew that this would work for my own
Who knew that ill be standing here
Who knew that this would work for my own good
Standing by the window
Looking at the wind blowing
This is amazing
I still have life
Looking at the beautiful creations
The mountains, the seas and the moon
Your spirit is moving
Taking me to places I've never been before
I never knew i would be here today
Your breath is so strong i can still breath
Taking me to places I've never been before
Who knew i would be here
Who knew i would be here
I will fly high more than anyone
I will go to places that I've never been before
Cause when i was blind
You opened my eyes
When i couldn't walk
You gave me strength
Cause nobody knew
I would stand here
Its just your grace
Your power
Your anointing
Cause nobody knew that I'm gonna be here
Nobody
I never knew i would be here oh lord
Your breath is so strong i can still breathe
Taking me to places I've never been before

Who knew
I would be here
Nobody knew i was gonna be here
