How It Is

LonelyHands

I know not why
I know not how
How it is
Yeah, it is

No mystery solved
Equation found
To explain
This feeling inside

I feel it now
I feel for you
So immense,
The soul breaks through
So simple yet
Something rare
So intense
My heart
You can hear its sound

All this time
You and I
So afraid
So weâ€™d hide
Yet here we are
Here we are
Canâ€™t explain
No need to anymore

I feel it now
I feel for you
So immense,
The soul breaks through
So simple yet
Something rare
So intense
My heart
You can hear its sound

You can hear its sound
