Close (Westlife cover)

Aaron Lines

Oh yeah
Oh yeah, yeah.across the miles, it's funny to me.
How far away you are.
But how near you seem to be.
I could talk all night, just to hear you breath
Can spend my life just living this dream
You're all I'll ever need'Cause
You give me strength
You give me hope
You give me someone to love, someone to hold
When I'm in your arms, I need you to know
I've never been, I've never been this closeWith all the loves, I used to know
I kept my distance yeah, I never let go
But in your arms, I know I'm safe
'Cause I've never been held, and I've never been kissed in this wayYeah 'cause you're all I'll ever need
You're all I'll ever need'Cause.you give me strength
You give me hope
You give me someone to love, someone to hold
When I'm in your arms, I need you to know
I've never been, I've never been thisClose enough to see it's true
Close enough to trust in you
Closer now than any words can sayOh yeahAnd when
I'm in your arms, need you to know
I've never been, I've never been, this close
You give me strength
You give me hope
You give me someone to love, someone to hold
When I'm in your arms, need you to know
I've never been, I've never been
Darlin' I swear
I've never been, I've never been this close
