Mama's Heart

Those Darlins

Dont break my mamas heart
Dont make my mama cry
When you break my mamas heart
Youre also breakin mineMy mamas a sweet one
Youd think shes meek and mile
You push her around
You treat her like a child
But if you dont give her everything she needs
Youre gonna have to answer to meDont break my mamas heart
Dont make my mama cry
When you break my mamas heart
Youre also breakin mineMy mamas got a heart
Made of solid steel
When her teardrops fall
Each one of them is real
Shes strong as a mountain
She raised us children right
I dont wanna see her cryin when I get home tonightI dont wanna see her cry
I dont wanna see no tears in her eyes
Theres nothing I wont do
To keep my mama from feelin blueDont break my mamas heart
Dont make my mama cry
When you break my mamas heart
Youre also breakin mineDont break my mamas heart
Dont make my mama cry
When you break my mamas heart
Youre also breakin mine
