

# Mama's Heart

## Those Darlins

Dont break my mamas heart  
Dont make my mama cry  
When you break my mamas heart  
Youre also breakin mineMy mamas a sweet one  
Youd think shes meek and mile  
You push her around  
You treat her like a child  
But if you dont give her everything she needs  
Youre gonna have to answer to meDont break my mamas heart  
Dont make my mama cry  
When you break my mamas heart  
Youre also breakin mineMy mamas got a heart  
Made of solid steel  
When her teardrops fall  
Each one of them is real  
Shes strong as a mountain  
She raised us children right  
I dont wanna see her cryin when I get home tonightI dont wanna see her cry  
I dont wanna see no tears in her eyes  
Theres nothing I wont do  
To keep my mama from feelin blueDont break my mamas heart  
Dont make my mama cry  
When you break my mamas heart  
Youre also breakin mineDont break my mamas heart  
Dont make my mama cry  
When you break my mamas heart  
Youre also breakin mine
