Isaiah 6

And the train of His robe filled the temple
Above Him were angels with six mighty wings
With two theyd cover their faces
With two theyd cover their feet
And with two theyd fly
With two theyd fly and singAnd holy, holy, holy is the Lord Almighty
And the whole earth is full of His glory
Hes gloriousAn' I said, Woe to me, I am ruined
For I am unclean and so are all my kind
But my eyes have seen the King
The Lord Almighty, the Lord Almighty"And holy, holy, holy is the Lord Almighty
And the whole earth is full of His glory
Holy, holy, holy is the Lord Almighty
And the whole earth is full of His glory
Hes gloriousAnd an angel flew to me and he had fire in His hands
And he put it to my lips and God took away my sin

And the whole earth is full of His gloryHoly, holy, holy is the Lord Almighty
And the whole earth is full of His glory
