

Automatic Blues

The Cult

Yeah
Ooh baby, baby, baby, baby, baby
Hey there people, have you heard the news?
Ooh oh yeah
The world's on fire, I'm telling you
Yeah
I'm telling you
Brothers and sisters everywhere, come together
People like you should
Ooh, like you should
Drive on people
Drive on people
Ooh, I never thought we'd get too far
Yeah
Livin' on the wrong side talkin' 'bout life
Aow, yeah, yeah, yeah, yeah
Lovers and sinners, cats and fools
Shake it together, come on people
Please, yeah
Drive on people
People drive on, say
Drive on people
I ain't no sucker, I ain't no fool
Talkin' about the automatic blues
Yeah
I ain't no sucker, I ain't no fool
Talkin' about the automatic blues
Ain't no sucker, oaw
Ain't no fool, no
Ain't no sucker
Yeah, yeah, yeah, yeah
Come on and shake it, boy
Drive on people
People drive on, yeah
Drive on people
Yeah, yeah, yeah, yeah
Drive on people
People drive on, say
Drive on people

I ain't no sucker, I ain't no fool
I'm talkin' about the automatic blues
Yeah
I ain't no sucker, I ain't no fool
I'm talkin' about the automatic blues, now
I ain't no sucker, I ain't no fool
I'm talkin' about the automatic blues
I ain't no sucker, I ain't no fool
I'm talkin' about the automatic blues
Yeah, uh
