## Nico

Here's Room 506  
It's enough to make you sick  
Bridget's all wrapped up in foil  
You wonder if she can uncoil.

Here they come now  
See them run now  
Here they come now  
Chelsea Girls

Here's Room 115  
Filled with S & M queens  
Magic marker row  
You wonder just high they go.

Here they come now  
See them run now  
Here they come now  
Chelsea Girls

Here's Pope dear Ondine  
Rona's treated him so mean  
She wants another scene  
She wants to be a human being.

Here they come now  
See them run now  
Here they come now  
Chelsea Girls

Pepper she's having fun  
She thinks she's some man's son  
Her perfect love's don't last  
Her future died in someone's past.

Here they come now  
See them run now  
Here they come now  
Chelsea Girls

Dear Ingrid's found her lick  
She's turned another trick  
Her treats and times revolve  
She's got problems to be solved

Here they come now  
See them run now  
Here they come now  
Chelsea Girls

Poor Mary, she's uptight  
She can't turn out her light  
She rolled Susan in a ball  
And now she can't see her at all

Here they come now  
See them run now  
Here they come now  
Chelsea Girls

Dropout, she's in a fix,  
Amphetamine has made her sick  
White powder in the air  
She's got no bones and can't be scared

Here they come now  
See them run now  
Here they come now  
Chelsea Girls

Here comes Johnny Bore,  
He collapsed on the floor  
They shot him up with milk  
And when he died sold him for silk

Here they come now  
See them run now  
Here they come now  
Chelsea Girls

Here they come now  
See them run now  
Here they come now  
Chelsea Girls
