

# Wild Blue Yonder

## Diamond Rio

If you need a prison break  
I will be the file in the cake  
We will make a great escape  
Into the wild blue yonderIf you need to chase the blues  
I will be your running shoes  
We'll double back and leave no clues  
Into the wild blue yonderInto the wild blue yonder  
Where we can be free  
Into the wild blue yonder  
I'm takin' you with meIf you need to fight for love  
I will be your boxing gloves  
Cheering crowds will lift us up  
Into the wild blue yonderInto the wild blue yonder  
Where we can be free  
Into the wild blue yonder  
I'm takin' you with meIf you need someone to care  
If life is treating you unfair  
Take my love I'll lead you there  
Into the wild blue yonder  
Into the wild blue yonder
