

Love to Be Loved by You

Marc Terenzi

I cant believe Im standing here been waiting for so many years and
Today I found the queen to rein my heart.
You changed my life so patiently and turned it into something good and real
I feel just like I felt in all my dreams.
There are questions hard to answer, cant you see...Baby, tell me how can I tell you that I love you more than
life?
Show me how can I show you that Im blinded by your light.
When you touch me, I can touch you to find out the dream is true.
I love to be loved by you. Youre looking kind of a scared right now; youre waiting for the wedding vows.
But I dont know if my tongues able to talk
Your beauty is just blinding me, like sunbeams on a summer stream
And I got to close my eyes to protect me.
Can you take my hand and lead me from here please?
Yeah, yeahBaby, tell me how can I tell you that I love you more than life?
Show me how can I show you that Im blinded by your light.
When you touch me I can touch you to find out the dream is true.
I love to be loved - I need to be loved -
I love to be loved by you. I know theyre going to say our loves not strong enough to last forever.
And I know theyre going to say that well give up because of heavy weather.
But how can they understand that our love is just heaven-sent,
We keep on going on and on cause this is where we both belong. Baby, tell me how can I tell you that I love you
more than life?
(I always love you more than life)
Show me how can I show you that Im blinded by your light.
(Show me how, yeah, yeah, and yeah)
When you touch me I can touch you to find out the dream is true
(Baby, when you touch me, dont you know?)
I love to be loved - I need, yes I need to be loved -
I love to be loved by you.
Yes, I love to be loved by you.
