

2AM. (feat. Sage the Gemini)

Adrian Marcel

Advisory - the following lyrics contain explicit language:

It's 2 AM
I I I want it girl
I I I want it
Said it's 2 AM
I I I want it girl
Right now! I'm turnt up in this bitch
Drunk off that liquor
I can't trust these hoes
But you look so different girl
You, you got yo girls, I got my niggas
So you, should tell yo girls to come fuck wit us
Come live in the fast lane
Bottles every night, whatever you like
'Cause I do things
And you know my niggas keep that thing on the side
'Cause a nigga wanna act strange
But this ain't about me, girl it's all about you
And I ain't just runnin' games
I ain't runnin' games
Said it's 2 AM
I I I want it girl
I I I want this girl
I know you're horny girl
I I I want it girl
I want it girl
Said it's 2 AM
I I I want it girl
let's pull off in this whip
Full speed to my after
I always take a couple more sips
Girl you know I'll be good for hours
You, you say it's real and I can feel on it ah
You know the deal, we in the moment
Come live in the fast lane
Bottles every night, whatever you like
'Cause I do things

And you know my niggas keep that thing on the side
'Cause a nigga wanna act strange
But this ain't about me, girl it's all about you
And I ain't just runnin games
I ain't runnin games Said it's 2 AM
I I I want it girl
I I I want this girl
I know you're horny girl
I I I want it girl
I want it girl
Said it's 2 AM
I I I want it girl
