

# You're a Mystery

## Anna Graceman

Days have gone past but here you are still  
You've push me too far, I've had no time to heal  
It's just a charade, that game you played  
Are we real or just a masquerade

Can I have this dance?  
Who's behind this mask?  
You're a mystery in disguise  
You've been telling me so many lies  
To be or not to be that's the question now  
Am I anything at all? I curtsy and you bow

What aren't you telling me? what is to hide?  
What are you really like? what is inside?  
I feel like the puzzle piece that doesn't fit in  
I lose and I lose there's no room to win

Can I have this dance?  
Who's behind this mask?  
You're a mystery in disguise  
You've been telling me so many lies  
To be or not to be that's the question now  
Am I anything at all? I curtsy and you bow

I dreamt that everything would go like we planned  
And that together we would stand hand in hand  
I wished upon your star  
Oh, I didn't plan on fallin' so hard

Can I have this dance?  
Who's behind this mask?  
You're a mystery in disguise  
You've been telling me so many lies  
To be or not to be we're the question now  
Am I anything at all?  
Who's behind this mask  
You're a mystery to me  
I curtsy and you bow, I curtsy and you bow
