

# Illest Motherfucker Alive

## Kanye West

Kanye West  
Uh oh man, uh oh  
1985 white Lamborghini Countach, 2 of em  
I need a slow motion video right now  
Cuz im moving in (slow motion, slow motion)  
Feelin' like Hype Williams shooting a nigga  
Shooting a nigga, hey hey hey  
I need a slow motion video right now ay ay  
Damn baby p-ssy can't be your only hustle  
Unless you bad as Naomi Russell  
I mean a lot of n\*ggas got money  
So basically, Russell ain't the only Russell  
Russell Brand, Russell Crow  
Zero Zero Zero Zero, a whole lot of 0's  
What you after, actor money?  
You in line behind currency, yeah you after money  
Bullet proof condom when I'm in these h\*es  
Got staples on my d\*\*k (why) f\*ckin' centerfolds  
And I swear to God they so cold  
Got a ni\*\*a in Miami wearing winter clothes  
I got my fur on feelin' like Jerome  
She got her fur too, we get our his and her on  
Don't look at the jewelry, or get your blurr on  
Too close, you comatose so dope you overdose  
Get back, you overclose  
Oh no, the hood was strugglin'  
But then I blessed them with that Polo  
Ni\*\*as was making music and then my first solo...  
Collo Drolo sponsored by Manolo  
She got Zeppi Notos ready for some photos  
Yeah and I'm cold b\*\*ch, please try to keep the door closed  
Lanvin thousand dollar tee with no logos  
Let me show you what I see when my eyes closed  
Jay-Z (Kanye West)

Take it how you want til a ni\*\*a dead  
(Til then I'm the illest motherf\*\*\*er alive)  
Whole world aiming at a ni\*\*a head  
(Because I'm the illest motherf\*\*\*er alive)

Jay-Z

King Hov, I'm exactly what the f\*\*k you think  
11 in a row, Bill Russell rings, Michael Jordan swag  
Yall think Michael Jordan bad  
Nigga I got a 5 more rings than Michael Jordan had  
Elvis has left the building now I'm on the Beatles ass  
Ni\*\*as hear Watch The Throne, yeah it's like the Beatles back Bey Bey my Yoko Ono, Rih Rih complete the  
family  
Imagine how that's gon look front row at the Grammys  
F\*\*k your awards like Eddie Murphy's couch  
The Roc is in the building we should have stayed in the house  
I don't even know what we doing here  
Seems to me a complete waste of gear  
Just a f\*\*\*in waste of time, a complete waste of bottles  
Ni\*\*as fashion is weak, they be wastin' all the models  
Got the oversized Rolley let me show the how to do it  
When I say it then you see, it ain't only in the music Basquiats, Warhols serving as my muses  
My house like a museum, so I see em when I'm peeing  
Usually you have this much taste you European  
That's the end of that way of thinking, ni\*\*a never again  
Know when to leave when the heat is coming, I learned that  
This is where DiNero would be if he ain't turn back  
F\*\*k Sosa, this Hova this is real life  
This is what the ending of Scarface should feel like  
Kanye West  
I need a slow motion video right now  
Cause I'm moving in slow motion slow motion  
Feelin' like Hype Williams shooting a nigga  
shooting a nigga hey hey hey  
I need a slow motion video right now ay ay
