

I Miss You (acoustic)

Incubus

To see you when I wake up
Is a gift I didn't think could be real
To know that you feel the same as I do
Is a three-fold utopian dream
You do something to me that I can't explain
So would I be out of line if I said
I miss you? I see your picture
I smell your skin on the empty pillow next to mine
You have only been gone ten days
But already I'm wasting away
I know I'll see you again
Whether far or soon
But I need you to know that I care
And I miss you
