

Christmas Wrapping

The Waitresses

"Bah, humbug" no, that's too strong
'Cause it is my favorite holiday
But all this year's been a busy blur
Don't think I have the energy To add to my already mad rush
Just 'cause it's 'tis the season
The perfect gift for me would be
Completions and connections left from Last year, ski shoppin'
Encounter, most interesting
Had his number but never the time
Most of '81 passed along those lines So deck those halls, trim those trees
Raise up cup's of Christmas cheer
I just need to catch my breath
Christmas by myself this year Calendar picture, frozen landscape
Chilled this room for twenty-four days
Evergreens, sparkling snow
Get this winter over with Flashback to springtime, saw him again
Would've been good to go for lunch
Couldn't agree when we were both free
We tried, we said we'd keep in touch Didn't, of course, 'til summertime
Out to the beach to his boat could I join him?
No, this time it was me
Sunburn in the third degree Now the calendar's just one page
And, of course, I am excited
Tonight's the night, but I've set my mind
Not to do too much about it Merry Christmas, Merry Christmas
But I think, I'll miss this one this year
Merry Christmas, Merry Christmas
But I think, I'll miss this one this year Merry Christmas, Merry Christmas
But I think, I'll miss this one this year
Merry Christmas, Merry Christmas
But I think, I'll miss this one this year Hardly dashing through the snow
'Cause I bundled up too tight
Last minute have to do
A few cards a few calls 'Cause it's "RSVP"
No thanks, no party lights
It's Christmas eve, gonna relax
Turned down all of my invites Last fall I had a night to myself
Same guy called, Halloween party
Waited all night for him to show
