Lifeline

Ryker's

broken... shattered
memories on the ground
splinters... scattered
lost and never found
your eyes search for me - but i look away
your mouth speaks to me - but i won't hear the words you saybring it back... BACKthe time is gone - the chance is overdidn't know the right words to say
it's like you threw me in a lifeline
but i chose to walk away
i wish... i would... have took it earlier
now i'm reaching for something out of sight
it feels like something in me died...impossible - another start
to mend the bridge i decided to blow apartA) ...IMPOSSIBLE
B) ...IMPOSSIBLE TOBRING IT BACK... BACK!!!
