

Jesus Mentioned

Warren Zevon

I'm going down to Memphis
Memphis, Tennessee
I'm going down to Graceland
Thinking about the King, remembering him sing
About those heavenly mansions
Jesus mentioned Can't you just imagine?
Digging up the King, begging him to sing
About those heavenly mansions
Jesus mentioned He went walking on the water
He went walking on the water
He went walking on the water
With his pills Can't you just imagine?
Digging up the King, begging him to sing
About those heavenly mansions
Jesus mentioned
