

# My Wife Thinks You're Dead

Junior Brown

Advisory - the following lyrics contain explicit language:

It's good to see you baby it's been a long long while  
We're both a whole lot older and seen a lot of miles  
But thing are different now since the good ol days  
And youve been in some trouble Since we went our separate ways  
Well have to say hello maybe some other time instead  
'Cause youre wanted by the police  
And my wife thinks youre dead Somebody spread the rumor that you had lost your life  
Least thats the way I heard it and what I told my wife  
Now here youre showing up again and talk is getting round  
And I can see that one of us will have to leave this town If you think that I want trouble  
Than youre crazy in your head  
'Cause youre wanted by the police  
And my wife thinks youre dead You never called or wrote me just up and disappeared  
Nobody knew what happened  
Where you been for all these years  
Now troubles what youre lookin like  
'Cause troubles where you been And I can see the kind of trouble you could get me in  
You better pay attention to every word I said  
'Cause youre wanted by the police  
And my wife thinks youre dead So goodbye to you baby Im glad weve got to talk  
But Im faithful to my wife and I dont ever break the law  
I dont know where youre headed for  
But I know where you been Were reminisced now lets just go our separate ways again  
Go find another ex-sweetheart to hang around instead  
Because youre wanted by the police  
And my wife thinks youre dead
