No, no, no, no, no, no, no, no
I'll cut you in a minute
You know you should admit it, oh yeah
No, no, no, no, no, no, no, no
I'll cut you in a minute
You know you should admit it, oh yeah
No, no, no, no, no, no, no, no
I'll cut you in a minute
You know you should admit it, oh yeah
No, no, no, no, no, no, no, no
There's no turning back I guess that you knew that
My eyes are turning black and my brain is getting fat
I'm staring at some ants that are swimming in shellac
I won't do this again, no
No, no, no, no, no, no, no, no
No, no, no, no, no, no, no, no
No, no, no, no, no, no, no, no
No, no, no, no, no, no, no, no
I'll cut you in a minute
You know you should admit it, oh yeah
No, no, no, no, no, no, no, no
I'll cut you in a minute
You know you should admit it, oh yeah
No, no, no, no, no, no, no, no
I'll cut you in a minute
You know you should admit it, oh yeah
No, no, no, no, no, no, no, no
Here I go again I should be among friends
I'll let you know when I start to feel a nerve end
That should be around ten so just shut up until then
Soaked in glow stick juice
No, no, no, no, no, no, no, no
No, no, no, no, no, no, no, no
No, no, no, no, no, no, no, no
