

# Protect Me from What I Want

## Placebo

It's that disease of the age  
It's that disease that we crave  
Alone at the end of the race  
We catch the last bus homeCorporate America wakes  
Coffee republic in case  
We open the latch on the gate  
Of the hole that we call our homeProtect me from what I want  
Protect me from what I want  
Protect me from what I want  
Protect me, protect meMaybe we're victims of fate  
Remember when we'd celebrate  
We'd drink and get high until late  
And now we're all aloneWedding bells ain't gonna chime  
With both of us guilty of crime  
And both of us sentenced to time  
And now we're all aloneProtect me from what I want  
Protect me from what I want  
Protect me from what I want  
Protect me, protect meProtect me from what I want  
Protect me from what I want  
Protect me from what I want  
Protect me, protect meProtect me from what I want  
Protect me from what I want  
Protect me from what I want  
Protect me, protect meProtect me from what I want  
Protect me from what I want  
Protect me from what I want  
Protect me, protect meProtect me from what I want  
Protect me from what I want  
Protect me, protect me
