Freedom (Roblez & Georg the Mustache Remix)

Neon Hitch

Come from a far away land
Where strangers hold your hand
Under the stars
in a horse and cart.We made up our bed
they said we're mislead
but they don't know
we've got a field were love growsAnd we are broken
but we're fucking beautiful
we got no money
but everything is alright, alright
we don't need money to feel alright
cause we've got freedom.
we've got freedomoh oh o-oh oh oh o-oh oh
'cause we got freedom
oh oh o-oh oh oh o-oh oh
'cause we got freedomI've sailed across the sea
Stone Henge to New Delhi
--- before ya
California
You'll never be alone
we've found a place to call home
come together
where nothing lasts foreverAnd we are broken
but we're fucking beautiful
we got to money
but everything is alright, alright
we don't need money to feel alright
cause we've got freedom.
we've got freedomoh oh o-oh oh oh o-oh oh
'cause we got freedom
oh oh o-oh oh oh o-oh oh
'cause we got freedomoh oh o-oh oh oh o-oh oh
'cause we got freedom
oh oh o-oh oh oh o-oh oh
'cause we got freedom
