

# Hit Tha Flo

Wiz Khalifa

CHORUS :

Yeah it's goin' down, Yeah it's goin' down  
Watch her hit tha flo', Watch her hit tha flo' (X4).

Wiz Khalifa:

Yeaaaaaaaa Bitch. You know what it is. It's Wizzle man.  
Taylor Gang or die. Heavy Hustle in this bitch. Yea. (hahaha) Yup. Yea.

VERSE 1 :

The way lil' shorty go I'm tryna think where I should take her  
Watch her hit tha flo, I'm out here spending all this paper  
Bought some cigarillos yeah I blow it by the acre  
If you lookin' this good well shit I wanna meet your maker  
Take her, to my home, Say hello to my neighbors  
She my biggest fan, I see her man just tryna save her  
Put it in her mouth, and now my taste she's tryna savor  
Shorty saying Khalifa Man should have his own flavor  
Haters wanna be me, but can't walk in my Chuck Taylor's  
All black eleven's, Mac-11 with the lazer  
Mami keep on shaking it like she a salt shaker  
Hand on the ground, everybody around.

CHORUS :

Yeah it's goin' down, Yeah it's goin' down  
Watch her hit tha flo', Watch her hit tha flo' (X4).

Wiz Khalifa: Yea. Yea

VERSE 2 :

Hey A lot of niggas hate, but all the bitches wanna do me  
Wizzle L. Jackson, Yeah my life is like a movie  
Heavy Hustle Gang, Swisher Sweets with the jacuzzi  
Probably fucked your girl, you don't like it nigga sue me  
Shawty from the hood, but in the club she actin' booshie  
Body like a centerfold, Boy look at that loody! (\*Taylor Gang word for booty)  
My ink got her gone, Wanting to know who tattoos me  
Head game right, Just said she'd like to ride (Yeah)  
DJ play my song, When it come on she gets excited  
Before I leave the club, I'll put her number in my sidekick  
Swagger on some different shit, She tell me that she like it  
Watch her break it down, I ain't playin' around.

CHORUS :

Yeah it's goin' down, Yeah it's goin' down

Watch her hit tha flo', Watch her hit tha flo(x4)
