Get Out of This Town

Edwin McCain

It's time to get out of this town

There's no more fun to be found

I'm rolling thunder with the top down

It's time to get out, get out, get outCrescent City high life dancing with the devil's wife

Just like some voodoo dream living on 4th and Magazine

A black rose and a chicken bone I don't know if I'll make it home

Another night at Snake and Jakes just a little more than I can takeIt's time to get out of this town

There's no more fun to be found

I'm rolling thunder with the top down

It's time to get out, get out, get outIt's time to get out of this town

There's no more fun to be found

I'm rolling thunder with the top down

It's time to get out, get out, get outLear jets and Limousines found my way to the Vegas scene

Hit hard on a sixteen the pit boss is getting mean

Just waiting on my car rolling like the Junkyard

Three days and some big scars that's what it takes to be a rock starIt's time to get out of this town

There's no more fun to be found

I'm rolling thunder with the top down

It's time to get out, get out, get outIt's time to get out of this town

There's no more fun to be found

I'm rolling thunder with the top down

It's time to get out, get out, get outI'm falling down

I'm falling downIt's time to get out of this town

There's no more fun to be found

I'm rolling thunder I'm rolling thunder

I'm rolling thunder with the top down

It's time to get it's time to get out

It's time to get it's time to get out, get outIt's time to get out of this town

There's no more fun to be found

I'm rolling thunder I'm rolling thunder

I'm rolling thunder with the top downIt's time to get out of this town

There's no more fun to be found

You're scare for gonna hopefully down
