No Way (Disfunktion Bootleg)

The Naked and Famous

When the daylight comes
Do you feel it?
Leave your bag of bones
Underneath your bed
Everything is as
It should be
I'm leaving now
As I should beNo way, no way
No we're never gonna talk about it
No way, no way
No we're never gonna speak again
No way, no way
No we're never gonna talk about it
No way, no wayWhen the night descends
I sleep in
All the things you've done
Come to hold me
All that we can do
Is smile
It would be like this
For a whileNo way, no way
No we're never gonna talk about it
No way, no way
No we're never gonna speak again
No way, no way
No we're never gonna talk about it
No way, no way
