Another Bus

The Twang

Jumping on another bus
I don't need this rush no more
Take your hands out of your pockets
Turn the lights onI've been loosing too much time
Taking back what once was mine
This is never gonna do
Always thought I'd miss youOn and on, on and on and on and onSaw the girl the other day
Couldn't bring myself say
That the straw that broke the camel's back has fallenShe'd been loosing too much time
Sick and tired of towing the line
This is never gonna do
Always thought she'd want youOn and on, on and on and on and onWe never really tried
I guess we'll never know
Some things are better left alone
