

Be Ok

Chrisette Michele

imma take my lexus to the mall
get a little black dress just because
me and my boo just broke it off
imma be fly although hes gone
and i dont really care bout who he's with
imma get mine and he'll get his
even though i was in love with him,
i really hope the best for themevery sentimental and my crying sacrimental
tell me what i cant get into
i cant lose my mind
think its time for me to let go
cause my heart cant take it no more
you were all i lived for but i'll leave you behindimma be ok
imma be ok
i'll survive, i'll be fine, i wont cry no way
imma be ok
imma be ok
dont you talk, i'll move on, baby walk awayimma keep my head up, hold it high
really did my best i know you tried
even though it hurts i will survive
i'll wipe my eyes, i'll stay alive
take a deep breath and count to 10
today's a new day i'll start again,
imma find myself so deep within
imma survivor i will winevery sentimental and my crying sacrimental
tell me what i cant get into
i cant lose my mind
think its time for me to let go
cause my heart cant take it no more
you were all i lived for but i'll leave you behindimma be ok
imma be ok
i'll survive, i'll be fine, i wont cry no way
imma be ok
imma be ok
dont you talk, i'll move on, baby walk away
