## Short Stack

Bang Bang Sexy  
Bang Bang Sexy  
Oh, its 12 o'clock on a Saturday night.  
And he's watching her dance under the city lights.  
She said love's a bitch.  
He said love's a war.  
And you're coming home with me tonight,  
So baby what you waiting for?  
Baby what you waiting for?  
Tell me what you waiting for?  
You're coming home with me tonight,  
So meet me on the dance floor!  
Bang Bang Sexy.  
You won't forget me.  
Bang Bang Sexy.  
Won't forget you.  
Bang Bang Sexy,  
You won't forget me  
Everybody wants to be like you.  
She looks at him with electric love.  
And she's never gonna stop she's having too much fun.  
Talking to the streets, they were born to run.  
But our generation doesn't care, so put your put your hands up.  
Baby what you waiting for?  
What the hell you waiting for?  
You're coming home with me tonight, but first I gotta say you're,  
Bang Bang Sexy.  
  
You won't forget me.  
Bang Bang Sexy.  
Won't forget you.  
Bang Bang Sexy,  
You won't forget me  
Everybody wants to be like you.  
Wants to be like you.  
I want to be like you!  
Wants to be like you.  
Wants to be like.  
Oh!

Baby what you waiting for?  
Tell me what you're waiting for!  
You're coming home with me tonight,  
But first I gotta say, yeah I really gotta say.

Bang Bang Sexy.  
You won't forget me.  
Bang Bang Sexy.  
Won't forget you.  
Bang Bang Sexy,  
You won't forget me  
Everybody wants to be like you.  
Bang Bang Sexy,  
Wants to be like you.  
Bang Bang Sexy,  
I wanna be like you!  
Bang Bang Sexy,  
Wants to be like you!  
Everybody, wanna be like you.
