

Liberate

Disturbed

Bold motherfucker
Don't you limit your mindLiberate your mind
You motherfucker, you're so narrow minded
So narrow minded
So, liberate your mind
You motherfucker, will you liberate your mindLiberate your mind
You motherfucker, you're so narrow minded
So narrow minded
So, liberate your mind
You motherfucker, will you liberate your mind this timeBold motherfucker don't you limit your mind
Can't you see that the pace has just fallen behind
All the hate in your heart will be leaving you blind
So bold motherfucker don't you limit your mindNow, bold motherfucker don't you limit your mind
Can't you see that the pace has just fallen behind
All the hate in your heart will be leaving you blind
So bold motherfucker don't you limit your mind this timeWaiting for your modern Messiah
To take away all the hatred
That darkens the light in your eye
Still awaiting ILiberate your mind
You motherfucker, you're so narrow minded
So narrow minded
So, liberate your mind
You motherfucker, will you liberate your mind?Liberate your mind
You motherfucker, you're so narrow minded
So narrow minded
So, liberate your mind
You motherfucker, will you liberate your mind this time?Bold motherfucker don't you limit your mind
Can't you see that the pace has just fallen behind
All the hate in your heart will be leaving you blind
So bold motherfucker don't you limit your mindNow, bold motherfucker don't you limit your mind
Can't you see that the pace has just fallen behind
All the hate in your heart will be leaving you blind
So bold motherfucker don't you limit your mind this timeWaiting for your modern Messiah
To take away all the hatred
That darkens the light in your eye
Still awaiting I{Out of Zion shall come forth the law
And the word of the Lord from Jerusalem
Nation shall not raise sword against the nation
And they shall not learn war anymore

For the mouth of the Lord hath spoken}Waiting for your modern Messiah
To take away all the hatred
That darkens the light in your eyeHow long will we be waiting for your modern Messiah
To take away all the hatred
That darkens the light in your eye
Still awaiting I, still awaiting I
