Get on parade
Tailor made Get on parade, your place in the sun
Uniform suits everyone
Made to measure, you'll like the shade
Fits like a glove, you're tailor made Give 'em the slip, new suits are made
Full protection guaranteed
Your belief will be repaid
Target rich our techno trade Reliable, reliable witness
Get on parade
Tailor made In the room full of tame Mary's
It's hard to find the truth
If you ask me, 'Is this normal?'
I'll say, 'I've got the proof' Get on parade
Get on parade
Get on parade
Tailor made Reliable, reliable witness
Tailor made
Reliable, reliable witness
Get on parade In the room full of tame Mary's
It's hard to find the truth
If you ask me, 'Is it normal?'
You'll find me on the roof Tailor made Get on parade, a full display
Heed the warning, please don't delay
A shading of eyes, a turning of heads
A dig in the shallows, a collection of lead In the room full of tame Mary's
It's hard to find the truth
If you ask me, 'Is this normal?'
I'll say, 'I've got the proof' You'll find me on the roof
Searching for the truth Get on parade
Tailor made
Get on parade
Tailor made Get on parade
Tailor made
Get on parade
Tailor made Get on parade
Tailor made
Get on parade
