Sorry to See Me Go

Teddy Thompson

I might be leaving soon
Away with the new moon
Just wanted to let you know
In case you might be sorry to see me to goYeah, I must be going now
Train leaves on the hour
Don't think I'm coming back
I'm just wondering what you think of thatAnd I saw you in the bar last night
Taking drinks from every guy
Foolish me
For thinking we had somethingSo I guess, I'll move along
Find somewhere else to sing my song
Don't say it, I think I know
You won't be sorry to see me go
