

Saint Hubert

Agnostic Mountain Gospel Choir

Saint Hubert was a man
Saint Hubert was a man
Saint Hubert was a man before he was a saint
Saint Hubert was a man

He went hunting in the woods
He went hunting in the woods
He went hunting in the woods
Saw a great big stag
He went hunting in the woods

Raised his rifle to his eye
Raised his rifle to his eye
Raised his rifle to his eye
Put his finger on the trigger
Raised his rifle to his eye

What he saw changed his ways
What he saw changed his ways
What he saw changes his ways
Threw his rifle to the ground
What he saw changed his ways

Between the antlers was a cross
Between the antlers was a cross
Between the antlers was a cross
Burning with the light of Heaven
Between the antlers was a cross

Saint Hubert was a man
Saint Hubert was a man
Saint Hubert was a man before he was a saint
Saint Hubert was a man
